

NightHawk

LED Headlamp

ThermoFlo NightHawk White Light

The ThermoFlo™ Nighthawk White Light is a 3 watt LED headlamp that's perfect for those who work in dimly lit or dark spaces. It's capable of zooming in and out and features three settings: High, low and flash. The Nighthawk White Light also includes a changeable green lens to improve depth of field (White Light version only). It's made of waterproof material and has an output power of 20 lumens. The Nighthawk is perfect for those who work long hours, as it can last 4-5 hours on high, and up to 30 hours when set to low.

Benefits of ThermoFlo NightHawk White Light

- Perfect for working in dimly lit or dark spaces
- Uses a white light with an additional green lens that improves depth of field
- Long life: Lasts 4-5 hours on high, and up to 30 hours when set to low
- Capable of zooming in and out
- Features three settings: High, low and flash
- Constructed from water-proof material

ThermoFlo NightHawk Green Light

The ThermoFlo™ Nighthawk Green Light is a 3 watt LED headlamp that's perfect for those who work in dimly lit or dark spaces. It's capable of zooming in and out and features three settings: High, low and flash. The Nighthawk Green Light is also designed with a green LED bulb that's ideal for viewing plants at night without interrupting the growth cycle. It's made of waterproof material and has an output power of 20 lumens. The Nighthawk is perfect for those who work long hours, as it can last 4-5 hours on high, and up to 30 hours when set to low.
